USAF Chaplain Corps Core Values

Glorifying God
Serving Airmen
Pursuing Excellence

Welcome to Misawa Air Base and Aomori Prefecture! Your Chaplain Corps Team stands ready, able and willing to assist you with all your religious and spiritual needs. Please check out the various opportunities listed in this brochure.

Our primary goal is to build a strong faith community while taking care of one another even as we accomplish the mission of the 35th Fighter Wing. The African proverb is spot on: *“If you want to go fast, go alone, if you want to go far, go together.”*

Please take advantage of this time and place in your life and join us. Enrich one another with enduring life time spiritual and religious investments. You have heard it said that *“many people are so poor that the only thing they have is money”* [Costa]. Together, we can do better...join us as we keep going forward, one step at a time!

Ch, Lt Col Christian Biscotti
