EQUIPMENT CHECKOUT & TURN-IN POLICIES

To checkout equipment you must have a current DoD Identification card. Family members must be at least 18 years of age. Persons not assigned to Misawa AB must present official TDY, leave orders, or other official documentation showing organization assigned, or residence. Local national employees and members of the Japan Air Self Defense Forces (JASDF) may check out equipment on a space available basis only, and must present a valid base identification card at the time of checkout.

1. With the exception of Entertainment items, equipment cannot be reserved in advance. First come, first serve.

2. Items may be checked out any time during normal operating hours (excluding program specific equipment) and must be returned no later than the specified time on the rental global sales receipt on the due date. Items returned after this time will incur a late fee. **Late fees are equal to the single daily rental rate of the specific item. Weekly rates will not apply to late-returned items. All late fees and charges are payable when the item is returned.**

3. The person who signs the issue contract is liable for any lost, damaged, or destroyed items. The person is also responsible to ensure that the items are turned in by the due date, clean, and dry. Cleaning fees for tents will be \$15 per tent. A cleaning fee equal to one day's rental fee will be assessed for all other equipment except scuba regulators, tanks, and Buoyancy Compensating Devices (BCD). Scuba regulators returned without the 1st stage dust cap securely in place, or other signs of internal flooding, will be assessed an overhaul fee of **\$50 (minimum)**. **BCDs returned containing salt water will be assessed a \$10 cleaning and servicing fee.**

4. Each customer has the responsibility to check each item's condition before taking the item out of the facility. If any item is unacceptable, ask the recreation assistant to exchange it. If you do not know how to use the equipment ask for assistance and instruction. After the customer signs the issue contract and leaves the facility with the equipment, it is their responsibility to ensure it is returned in accordance with this policy.
