CLUB DESCRIPTIONS

CALLIGRAPHY CLUB: Youth learn another language through writing and spelling through Japanese calligraphy.

FACE PAINTING: Youth get to paint and explore different art styles on themselves, the teachers and their friends through face paint. Permission from youth's parent is required prior to participation.

FUSE BEADS: This club gives the youth an opportunity to craft using beads by following a design or create something of their own. Get wild and creative utilizing small plastic beads that are ironed together by a provider to create the shape or image that children want.

HEALTHY HABITS CLUB: Youth learn how to prepare healthy meals from scratch. They develop their math, fine motor and cooking skills while establishing healthy habits.

HEALTHY LIVING: Youth discuss how to live a healthy life to include exercise, hygiene and life skills.

KARAOKE CLUB: Display your talents of singing and dancing through karaoke.

ORIGAMI CLUB: Youth explore the art of origami and Japanese culture.

PHOTOGRAPHY CLUB: A fun and informative way to teach beginning photography to youth. Youth learn basic camera settings as well as different photography styles so they can adopt their own style.

READING CLUB: Youth build reading, speaking and spelling skills through reading activities, games and art activities.

SCIENCE CLUB: Learning about non-living and living things and to explore ideas, knowledge and experiments dealing with plants, air, animals, weather and food.

SPORTS CLUB: Explore friendly competition and the importance of teamwork and sportsmanship.

STEM: Youth learn about **S**cience, **T**echnology, **E**ngineering, and **M**ath with a variety of fun activities and projects.

TORCH CLUB: BGCA Leadership club that allows our youth to lead by example and to be respectful, reliable and responsible.
