About Child Fare:

Some options for children's bus fare are available, depending on the plan.

All infants travel free with Willer.

- * Infants are required to share the same seat as the traveling adult.
- The infant must be held in the parent / guardian's lap while seated.

This is for compliance with the bus transportation laws of Japan. We regret that we cannot accommodate child seats for infants even when a separate fare ticket is purchased for that purpose.

The bus operates daily, but reservations must be made in advance. The Misawa ITT office can assist you with making reservations. Payment **must be made by credit card over the phone**. ITT will receive the reservation number by e-mail, which will be your ticket.
